(Received the assent of the Governor on December 20, 1948, under Section 75 of the Government of India Act, 1935, as adapted by the India (Provisional Constitution) Order, 1947, and was published² in the “United Provinces Government Gazette”, dated January 1, 1949)

AN ACT

To provide for certain matters relating to fisheries in the United Provinces

Preamble- Whereas it is expedient to provide for certain matters relating to fisheries in the United Provinces:

It is hereby enacted as follows:-

Prefatory Notes - The following extract from the Statement of Objects and Reasons may be usefully noticed:

“Fish forms an especially valuable addition to a diet, the staple of which is rice. In the words of the Royal Commission on Indian Agriculture the ‘addition of fish to the diet of the cultivator seems to be the most promising way of securing the improvement in his nutrition which is so much needed’. It has also been reported that Egypt solved its meat shortage by the remarkable development of its inland fisheries. In view of the extensive canal system and the existence of a large number of tanks, ponds and jheels, especially in the eastern part. Central and Tarai Tract and the Bundelkhand, this province offers a great scope for the development of tank fisheries. But the development of fish industry only came into prominence during the war on account of the acute shortage of meat and other animal food caused by the unprecedented demand of the Army and the consequent “Grow More Food” campaign. In order to tackle this Industry efficiently and economically, therefore, a separate Fisheries Development was created in the beginning of 1947, its main function being to plan the development on sound scientific lines under expert advice. Experience has, however, shown that much headway cannot be made in the absence of any legislation for checking indiscriminate slaughter of fish in the province. The Indian Council of Agricultural Research also drew the attention of Government to this fact some time ago and

advised legislation on the lines of the one enacted by the Punjab Government. The Present Bill has, therefore been drafted more or less on the lines of the Punjab enactment, and is based on the draft “model” Bill approved by the Fish Committee of the Advisory Board of the Council. It provides for the prohibition and licensing of fishing in selected waters by rules to be framed by Government and arrests of persons committing offences specified therein, vide notification No. 2641/XII—28-44, dated June 18, 1948, published in U.P. Gazette, dated June 17, 1948, Part VII, pp. 67-71 ; for discussion sec L.A. Pro., Vol. L, pp. 482-488 for L.C. Pro. sec Vol. XII, pp. 251-252.

1. Short title, extent and commencement. – (1) This Act may be called the Uttar Pradesh Fisheries Act, 1948.

(2) It extends³ to the whole of [Uttar Pradesh]⁴.

(3) This section shall come into force at once and remaining sections will come into force on such date, for such period and in such areas as the [State Government] may, by notification in the official Gazette, Specify in this behalf.
